

KLEENLINE Select

Quick Delivery & Budget-Friendly Conveyor Solutions

CONSTRUCTION

The KLEENLINE Select Conveyor series is available in three stainless steel models: MT1 (Wipedown), MT2 (Washdown), and MT3 (Sanitary Washdown). Each model features versatile plastic chain options, including Straight Running or Side Flexing (Flush, Flat, or Heavy duty edge), configurations. Designed for seamless integration, these conveyors can easily connect to any Variable Frequency Drive (VFD), or we can provide VFD and disconnects at an additional cost. Elevate your operational efficiency with our KLEENLINE Select conveyor system!
